

Independent Newspapers, PLC

Corporate Profile

[Home](#)[Corporate Profile](#)[Chairman's Statement](#)[Chief Executive's Review](#)[International Operations](#)[Financials](#)

Independent Newspapers, PLC is an expanding global media and communications group with interests in newspaper and magazine publishing, electronic media and outdoor advertising.

The Group is growth focused to deliver continued expansion in earnings and enhanced shareholder value. Its strategy is to identify opportunities to expand its global media and communications business while continuing to develop its existing operations in Ireland, the United Kingdom, France, Portugal, South Africa, Australia, New Zealand and Mexico.

The strong market positions held by the Group in its key markets are capable of generating continued growth. Independent Newspapers, PLC is the premier newspaper group in Ireland, South Africa and New Zealand, the number one regional newspaper publisher in Australia, the leading radio broadcaster in Australasia and also has significant other media interests in Ireland, the United Kingdom, France, South Africa, Australia and New Zealand.

The Group publishes in excess of 160 newspaper and magazine titles with weekly circulations of over 15 million copies in Europe, Africa and Australasia. Over 13,500 people are employed.

Strong growth in revenues and earnings have been achieved over the last five years. The Group manages turnover of IR£1 billion and assets of IR£1.7 billion.
